Amendment No. 02
RFP No. 090037

This Amendment No. 02 is issued to the above referenced RFP Number in order to:

Input the percentage of work in the FAR clause 52.236-1 Performance of Work by the Contractor. The percentage was inadvertently left out of the clause at the time of RFP issuance.

As a result of this amendment, the clause reads as follows:

Performance of Work by the Contractor (Apr 1984)

The Contractor shall perform on the site, and with its own organization, work equivalent to at least **Seventy-Five percent (75%)** of the total amount of work to be performed under the contract. This percentage may be reduced by a supplemental agreement to this contract if, during performing the work, the Contractor requests a reduction and the Contracting Officer determines that the reduction would be to the advantage of the Government.

(End of Clause)
